

The no name yet Caravan Club Newsletter for Willowbrook 19,20,21 Feb 2021.

The first gathering of prospective new club members took place at Willowbrook Caravan Park with 8 vans attending. Plus John & Maureen Bradley standing in for Richie & Jenny who could not bring their van as his tow vehicle had been hit in the rear and was in the repair shop.

They drove up on Friday afternoon to meet all and to share 5s with the group.

Below are the attendees with vans to bring.

Chris & Alan

Chris & Trevor

Colin & Christine

Alexander & Dianne

Mick & Josie

Jim & Lynne

Terry & Geraldine
Due to Rod's glamorous smile the camera lens broke. (Sorry Helen.)

This was Rod & Helen but

5s was started early and Richie and John answered questions from the group regarding forming a new caravan club.

The meeting and 5s continued until it became very cool. At this point Richie and Jenny left and went to Hocking to spend the night. The rest of the gang moved to a less windy spot and continued to interact. (The author does not know when quits was called.)

Saturday some of the group went for a walk in the morning. Then Jenny had organized for all to go to the mini golf and coffee shop About 10 ks from the park at 10 am. Richie & Jenny rejoined the group here as they were finishing up. Some were still out on the mini golf course trying to sink that bloody ball!

We all travelled back to the park where Jenny had organized some entertainment.

The ladder golf and disk bowls games were set up and we proceeded to play.

Concentration at work!

**After very contested elimination rounds
The winners of the disk bowls were:**

**Winners Trev & Di with Rod & Terry
runners up.
(See Pic Left)**

The elimination rounds for the ladder golf were contested just as hard as the disc bowls with the eventual winners being Rod & Geraldine and the runners up were Jim & Lynne.

Rod could be heard at 5s and dinner telling anyone who would listen (and some who would not) how he was the only one who had played in two Grand Finals on the day.

Once the games were finished we retreated to the shade of the verandah for early 5s. A BBQ with shared salads was arranged by Jenny and an early dinner took place with the men cooking and women providing a variety of salads.
