

Willow Wren Club

Perth to Ledge Point, a small coastal fishing township, staying at the Ledge Point Caravan Park. We had 7 vans and one chalet.

We welcomed members Roz and George to our group this weekend and visitors Sheridan and John, friends of Sally and Dave who were visiting from Adelaide.

We kicked off at 4pm Friday with drinks and nibbles followed by a bbq with lovely shared salads and amazing sweets (really amazing!!). Everyone had a great time catching up on what they had been doing since the last rally. Geraldine handed out a brain teaser quiz which soon had everyone scratching their heads trying to come up with the meaning of some very cryptic clues. Saturday morning saw some of the more early risers head off for a walk, whilst the rest of us stayed snuggled up in bed!!

A meeting was held in the morning, chaired by Rod, where we discussed items regarding the constitution and the setting up of the club.

Later we all headed off for lunch meeting up again at 2pm for games. A couple of enthusiastic

and competitive games of Finska were held.

George won the first and Alan the

second.

Geraldine announced the winners of the brain teasers with Roz and George taking the honours. Later some of the ladies took a crazy spin around the park in the hire go carts!!

This was a special week for Sally and Dave, as Sally turned 60 and they were also celebrating their 40th wedding anniversary. It was wonderful to be able to celebrate with

them and raise a glass of bubbly!!

Saturday evening we all headed for Ledge Point Country Club for a meal and once again there

was no shortage of conversation, a great evening was had by all.

Sunday morning after saying our farewells we headed off, looking forward to the next rally.
