

Lake Brockman 21-23 OCTOBER

Hello Fellow Wren's

Weekend Roundup by Trevor and Chris

Those of us who arrived Friday were extremely fortunate to have been setup before the rain came through briefly. After our normal meet and greet we took over the camp kitchen for 5pm nibbles and drinks. At 6pm it was time for our potluck dinner. Everyone supplied an amazing array of dishes which was very much appreciated by everyone. Chris and Alan organised the quiz night that tested our grey matter. We all departed the camp kitchen so another group of campers could prepare and enjoy their dinner. More conversation was had around the campfire until another light shower came through.

Saturday we woke to a lovely day. Most of us went to the Brunswick field day. It was a great country show with lots of experiences on offer. At 5pm nibbles and drinks took place with a cook your own BBQ around the campfire as the camp kitchen was not available. Everyone seemed to be enjoying the chit chat at the campfire. Some young people setup next to us. Terry kindly offered a few tips. He started their fire with his special oil fire starter. The enjoyable evening wound up at 9.30 ish.

Sunday we gathered in the open space near our sites where Collin concluded the weekends rally at 9am. A big thanks to Chris and Alan for organising the entertainment for the weekend. Ten vans attended the rally. A great turnout!!!

A special mention goes to Ron and the other WA SES volunteers who left on Monday to help flood victims over East.

Happy birthday to the November babies

What's News

As what usually happens when sitting around a campfire chatting idly with your neighbours new ideas are born and great discussions are had about what series is currently being binge watched on Netflix, ABC etc or what great book has been read and we thought it would be a good idea to include these ideas in our newsletters. So it's now over to you to send in your suggestions to the Secretary. What are you currently binge watching, reading, heard a good joke to share or have you been asked for a recipe?
