

## Willow Wren Caravan Club Newsletter 17-19 May 2024 – Bridgetown Rally

Bridgetown, Some 250Km from Perth Metro, is an original timber town with all its supporting facilities.

The main street is where it happens but also surrounding areas, river, walks and a big bridge across the Blackwood River.

On the weekend of 17-19 May saw Ron and Julie Davey with Sandy and Gary Smith as the only attendees. Unfortunately due to various circumstances, the remaining 3 vans booked in, had to withdraw.

Never mind tho, we 4 had a good old time with lots of laughs and camaraderie and fellowship.

On Friday night, we had the regulation BBQ in the amply large camp kitchen and drinkies.

First up Saturday was a little walk to the nearby park (men only) then we all drove into town (1km) for a walk about and the girls had to buy some dresses etc. then of course, coffee at the Italian coffee shop.

Saturday lunch was at the Cider house/brewery which was quite economical and pleasant in the sunshine but still no rain.

Sat night again the choice was BBQ in the camp kitchen PLUS a game of SEQUENCE. Julie and I had never played before. Now we are the proud owners of a set of SEQUENCE.

Sunday morning and Gary was ready about 8AM waiting for close so we all said “see ya” at about 8.30AM. Still no rain.

Overall the weather was nice in the daytime and no wind. Evenings pleasant but a light cardy or jumper with the overnight temps dropping to about 5’- BRRRRR.

## MEMBERS UPDATES

### From the Chair

Greetings from the beautiful Balkans. We have travelled through Montenegro, Bosnia Herzegovina and are now in Croatia. Although the political history goes back many centuries and is very complex it has still been very educational. The weather has been mostly warm and sunny. The traditional busy season is yet to start so smaller crowds. The area is very mountainous and lots of narrow winding road. We haven't seen one caravan! We look forward to seeing you all when we return.
