

## Willow Wren Caravan Club Newsletter 13-15 September 2024 – East Rockingham Rally

The skies were clear and the sun was out as members arrived at the Cee and See Caravan Park in Rockingham for the Clubs September Rally. It was a pleasure to find large, well grassed and shady sites, an outstanding Recreation Room and Kitchen and convenient amenities. There were 9 attendees who were looking forward to the weekends suggestions and activities that had been carefully researched by Rally Hosts Paul and Caroline Massarotto.

After the Rally opening it was time for a catch up over a shared meal. The Recreation room was a popular venue for other Park guests to watch the football however our group was still able to find a space to participate in the quiz presented by Quiz master Paul, assisted by Caroline. A few rounds of challenging questions followed. Our group attracted the attention of some of the footy fans and we soon had a couple of “advisors” for some of the questions!

Saturday morning and another beautiful day. It was time to stretch our legs and enjoy the beautiful outdoors. The beachside pathway is lined with information and recognition of Australian of Naval history. Others chose to drive to Point Peron for a climb and the wonder vista across to Garden Island.

After all that exercise everyone was in much need of hydration and sustenance. The Osteria Café on the foreshore was the meeting place. The pictures tell the story of the choices that were made and enjoyed.

We returned to the CP for an afternoon of Ladder Golf and spectating.

On the recommendation of Paul & Caroline (and the lady at the Visitor Centre) we enjoyed dinner at Azacca Kitchen near Safety Bay. A varied menu that offered something for everyone.

Sunday morning and it was time to pack up and start the journey home. The Rally closed and it was agreed by all that both the Caravan Park and Rockingham had been a great location for our Rally.
