

## Wagin Rally May 2022

What a great weekend in Wagin.

There may have only been 10 of us but it did not stop us from having endless laughter and shenanigans. The weather was kind to us with a tiny bit of rain although quite cold. All you woosies missed out. The Wagin show ground had power and water and grass.

Friday night was kicked off at the Wagin trots (100m away from the camp).

Di and Alex plus Chris and Trevor had some MAJOR wins!!!

Trevor and Terry even managed to score an extra prize each with their losing tickets.

(Terry got a bag of spuds and Trevor got a block of chocolate)

Saturday afternoon, Ron and I learnt a new game. Ladder golf was hilarious with Geraldine foot faulting often. After Geraldine showed us how to play, it was time to get serious.

We were playing for sheep stations. The finals were played by Geraldine/Terry and Chris/Trevor. Winners: Chris and Terry.

Our Saturday evening "P" dinner "P" dress ups were awesome.

- Pasta salad
- Pies
- Peas
- Potato pies
- Baked potatoes (Terry's prize)
- Yummy Pavlova to finish.

We then learnt how to play Left, Centre, Right with Trevor winning again.
