

Hello fellow Wren's

The June Rally saw us gather at the Harvey Rainbow Caravan Park on a somewhat wet day but that didn't deter us in the least bit. We were an intimate group of 4 vans (Ron & Julie, Ron & Caroline, Alan & Chris and Terry & Geraldine) some of whom took advantage of arriving a day earlier.

Drinks and nibbles were the first order of the day in the camp kitchen which was enclosed and kept us dry. Terry opened the Rally in the absence of Rod and decisions were made on where the Saturday night meal would take place as well as suggestions forwarded for the October and December Rallies. Julie modelled her latest cooler weather look – trackpants and ugg boots.

Later in the evening two rounds of a left-right-centre game followed with much merriment using poker chips ably provided by Geraldine in the place of gold coins.

The rounds being won by Alan and Terry.

This was followed by a game of Mexican Train, a game of tactics similar to dominoes requiring a greater degree of concentration.

Saturday morning saw us all migrating to the lovely café and gardens at the Stirling Park Cottage and Heritage Gardens for a catch up with Cheryl and Andy Rowlands who had popped over to say hello with their dog. The morning tea and baked goodies were enjoyed by all and was followed by a short stroll along the paths. Some members also visited the nearby Internment Camp memorial and Chapel while others found their way to the Harvey Dam.

In the afternoon we all gathered in the kitchen area for a zoom meeting with Gary to get an overview of the new website and how members can make the most use out of the various options available like registering for the upcoming rallies before we headed off to the Brugan Brewery in Wokalup in two cars for our evening meal.

Despite the forecast of wet weather it turned out to be a very enjoyable weekend with only minimal disruption by a few showers and perhaps a wet shoe or two.
